Dear Brahmin Members,

It is a matter of gratification, great joy and celebration for the community to have our own premises. The most modern bhavan, in which we will have the temple, the social hall and dining hall with ample parking facility.

We can't wait to see Brahmins chanting Sanskrit-slokas, performing Havans, all religious ceremonies being celebrated in the temple.

Our Children learning our culture, our youths engaging in sports, personality development & many other vocational events, programs and activities. Our Navratri being played in our 'Sound Proof' social hall.

We heartily congratulate the Chairman and entire committee for their whole hearted dedication, hard work and total commitment to make our dream come true.

CHAIRMAN'S MESSAGE

Jai Mahadev.

The Kenya Brahma Sabha, Nairobi is now into its 70th year of existence in Nairobi, Kenya. Our community has been very vibrant culturally and religiously over the past many years.

Our dream project of temple and social hall for our community has now come to reality since we began construction in June 2019. This was only possible with blessings from Bhagwan Mahadev , our elders, trustees and immense support we received from all well-wishers, donors and our committee who put their best to complete the project even in adverse environment of pandemic.

We appeal entire Hindu community to come forward and utilize our state of art facilities for your functions. We are planning to cater for space for our elders to spend their time of retirement at our Sabha premises . We will arrange for reading materials in Gujarati, Hindi and English for their convenience. We are also planning for activities for children and youth on weekly/monthly basis.

We urge the Hindu community to frequently visit our temple on ground floor which comprises of Shiv temple, Ambe Maa and Laxmi Narayan temples respectively. We will celebrate all events of Hindu calendar at our temple.

Yours truly,

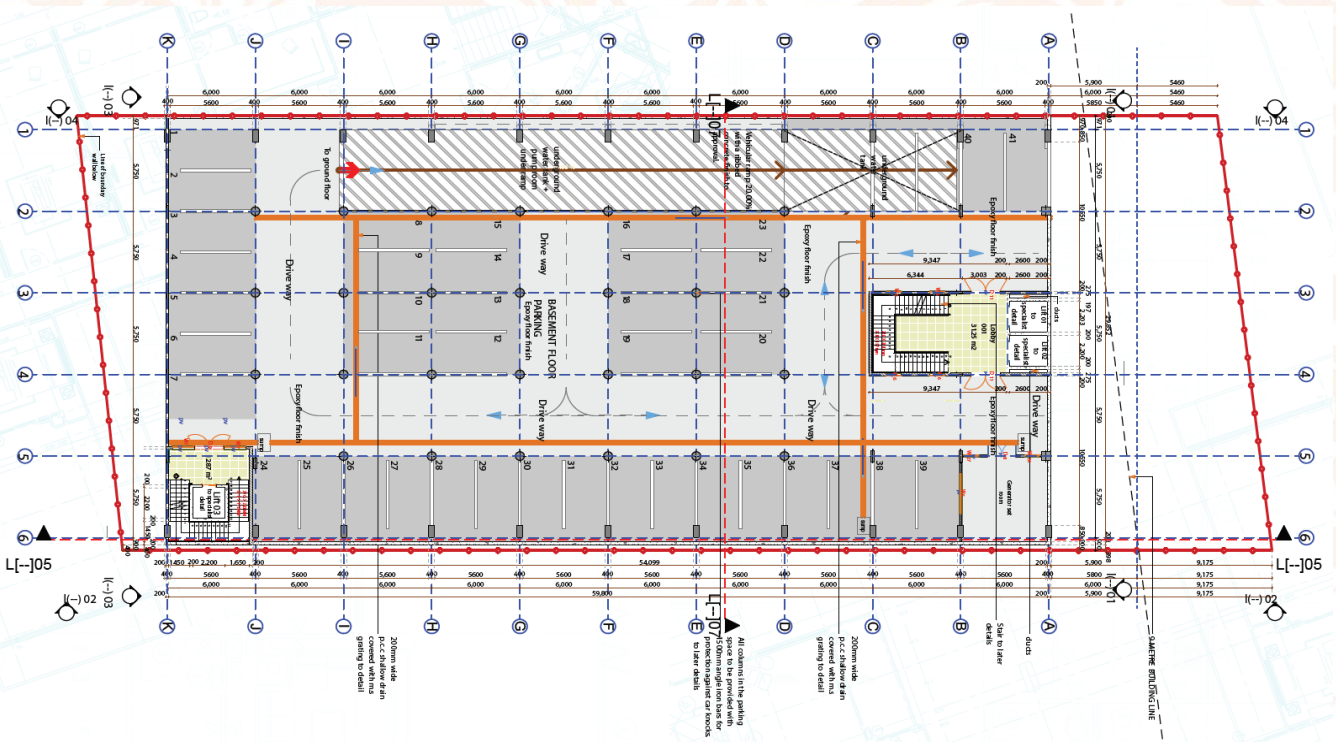

Vikram Dave
Hon. Chairman
The Kenya Brahma Sabha
